

Rostering

A smarter way to create your staff roster

IMSRostering provides an easy tool for creating events and allocating staff to rosters. Whether it is shift work or hospitality events, IMSRostering is flexible enough to accommodate one or both requirements.

With the ability to set up staff designations, selection by designation is achieved by a click of the mouse.

Features & Benefits

- Staff Designation (single 'primary' and multiple 'secondary' designations).
- Create allocation from Events or copy from an existing allocation for quick and easy roster allocation.
- Allocation can be "locked" to prevent changes.
- Integration with Award Interpreter and Arrow Payroll module
- Integration with Time Attendance system
- Unlimited Scheduling History
- With integration to Time Attendance, instant access to all time records.
- View and print Roster

No more manual or Excel rosters that take hours to create. With IMSRostering, there is a smarter way to carry out your staff rostering.
